3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the SEBI Circular CIR/CFD/CMD1/44/2019 dated 29 March 2019 issued by the SEBI under Regulation 33 (8) of the Listing Regulation, to the extent applicable.

Notes to the statement of unaudited consolidated financial results for the quarter and half year ended September 30, 2023 (continued)

5. On May 24, 2023, AINT had entered into definitive share purchase agreement ("SPA") to acquire 100% shares and control in YouAppi Inc., USA ("YouAppi") for a consideration of USD 45 million (equivalent to INR 3,692.68 million) including contingent incremental consideration of USD 9 million (equivalent to INR 738.54 million) payable after one year from the date of completion of SPA. All the approvals to enter into the SPA, from the board of the Group and YouAppi were obtained by May 5, 2023 post which Group had control however, the completion of the SPA was delayed till May 31, 2023 due to administrative reasons. As per Ind AS 110, consolidation has been done from May 1, 2023 for convenience. The contingent incremental consideration as part of business combination has been recognized as earn-out liabilities at fair value, as management anticipates that the necessary conditions will be met by that time.

Based on the initial assessment done by the management, the Group had not identified any intangible assets except for Tech IP and allocated an amount of USD 2 million (equivalent to INR 164.12 million) for the same and the balance amount has been recorded under Goodwill. The amortisation impact of the identified intangible asset has been provided in these consolidated financial results of the Group. The final valuation and purchase price allocation (PPA) has not yet been performed by the management, therefore, any adjustment resulting from it shall be accounted for in subsequent period.

6. During the current quarter, AINT had entered into definitive share purchase agreement ("SPA") to acquire balance 5% shares in Appnext Pte. Ltd. ("Appnext") for a consideration of USD 1.5 million (equivalent to INR 124.66 million), payable over a period of three years from the date of first completion of the SPA. Such 5% shares, at the time of initial acquisition of Appnext in June 2020, was accounted for as non-controlling interest, at book value. Hence, the consideration of USD 1.5 Mn (equivalent to INR 124.66 million), being fair value of the non-controlling interest has been adjusted from other equity, instead of recognising goodwill or any other identifiable intangible assets, as per Ind AS 110, in the consolidated financial results of the Group.
7. During the earlier year, the Company had completed Qualified Institutional Placement ("QIP") by issuing 1,153,845 equity shares aggregating to INR 5,906.90 million (net of QIP expenses of INR 93.09 million).
